# “Every Child Deserves a Chance to Play...”

is the philosophy that drives everything that we do as an organization. The Miracle League’s Mission is to present recreational, educational, and cultural opportunities for Connecticut’s children with special needs.

Since 2012 The Miracle League of CT has produced inclusive and adaptive programs impacting the lives of thousands of families from all over the state. Children with intellectual, developmental, and/or physical challenges have had the opportunity to be part of a baseball team, learned to express themselves through the art of dance, developed swim skills that have made them more comfortable and safe in the water, and even learned to independently ride a two-wheel bike. These are just a few of the programs offered by the Miracle League of CT.

We hope that you can join us at our new MLCT Golf Classic location - The Golf Club of Avon, on Tuesday September 21<sup>st</sup>. You will enjoy a great day of golf with many on course amenities. It will be an impressive day no matter what your score. Please consider one of our sponsorship opportunities. Your support will allow us to get back to “normal” after a very difficult year. Our families depend on us for recreational, cultural and social activities that enrich their days that are otherwise filled with medical related appointments and other learning services for their children. You can help us to make their lives just a little bit better.
